Bits of wisdom on... HAVING ENOUGH

I walked over to the hill where we used to go and sled. There were a lot of little kids there. I watched them flying. Doing jumps and having races. And I thought that all those little kids are going to grow up someday. And all of those little kids are going to do the things that we do. And they will all kiss someone someday. But for now, sledding is enough. I think it would be great if sledding were always enough, but it isn't.

- Stephen Chbosky (The Perks of Being a Wallflower)

Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough.

Frugality is one of the most beautiful and joyful words in the English language, and yet one that we are culturally cut off from understanding and enjoying. The consumption society has made us feel that happiness lies in having things, and has failed to teach us the happiness of not having things.
